Hi meganmoor,

Today is Thanksgiving & it is a tough one. We really missed all the chaos in the kitchen with you baking your pies. Your apron still hangs in the same spot as always. We have your beautiful sunflower photo with us. & you will have a special spot at the table saved just for you. Would love to see a butterfly today.

Your Dad & I just cleaned-up around your memorial cross.

It sure is beautiful. We love  
coming out here & reading all the  
lovely notes family, friends & complete  
strangers have left for you. You  
are loved. You are missed. You  
will never be forgotten.

Sending so much love  
and HUGE HUGS  
to you. I hope you feel  
it.

We are heading home today.  
Going to visit your butterfly pedestal  
when we get there. Our hearts are  
heavy. Cannot believe it is coming  
up on one year since you were taken  
from us. I still hear your voice & wait  
for you to come through our front door.  
I cannot wait until we see you again.  
I pray, you are waiting with open  
arms & I will never let go of you.

Ride in Paradise

Love Kasey

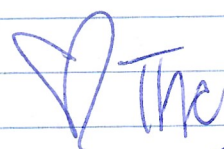

We know of Magen's  
passing through Daniel & Shelly.  
Shelly and I teach together,  
are close friends and my  
neighbor. We have been going  
to the desert our whole lives.

My son is now 21 on a  
motorcycle and still ride  
my quad, but Magen passing  
has changed me and the desert.  
I appreciate all you are  
doing to bring safety

makes me furious as we  
pass people who do not even  
know hand signals. We honor  
you and your sorrow. My  
daughter, Carolyn knows Jordan  
and has spent time with him.  
The memorial is BEAUTIFUL!

Jordan. He misses you & I am sure wishes you were here to talk to about life.

I love & miss you, baby girl. Not a day, not an hour, not a minute, not even a second goes by that I am not thinking about you. I can still hear you laughing & I can see you smiling. I recently had a dream.... my phone was ringing & when I looked to see who was calling, it was your cell phone number. When I picked up the phone & answered it all you said was "everything is going

to be OK"  $\frac{1}{2}$  then the conversation  
ended. I woke up instantly  $\frac{1}{2}$   
couldn't believe how real it felt  $\frac{1}{2}$

I will be back again before  
your ride to clean up your cross  
the best I can  $\frac{1}{2}$  will then see  
you on October 21st with friends,  
family  $\frac{1}{2}$  complete strangers.

I Lost my 19 year old Son  
July 7<sup>th</sup> 2020, and I was Angry for  
3 years, Brokenhearted, Hurt. On October  
4<sup>th</sup> 2020 I had a Spiritual Awakening,  
and Passed Out, GOD came to me  
and told me He was taking my Grief, my  
Broken Heart and my misunderstanding away.

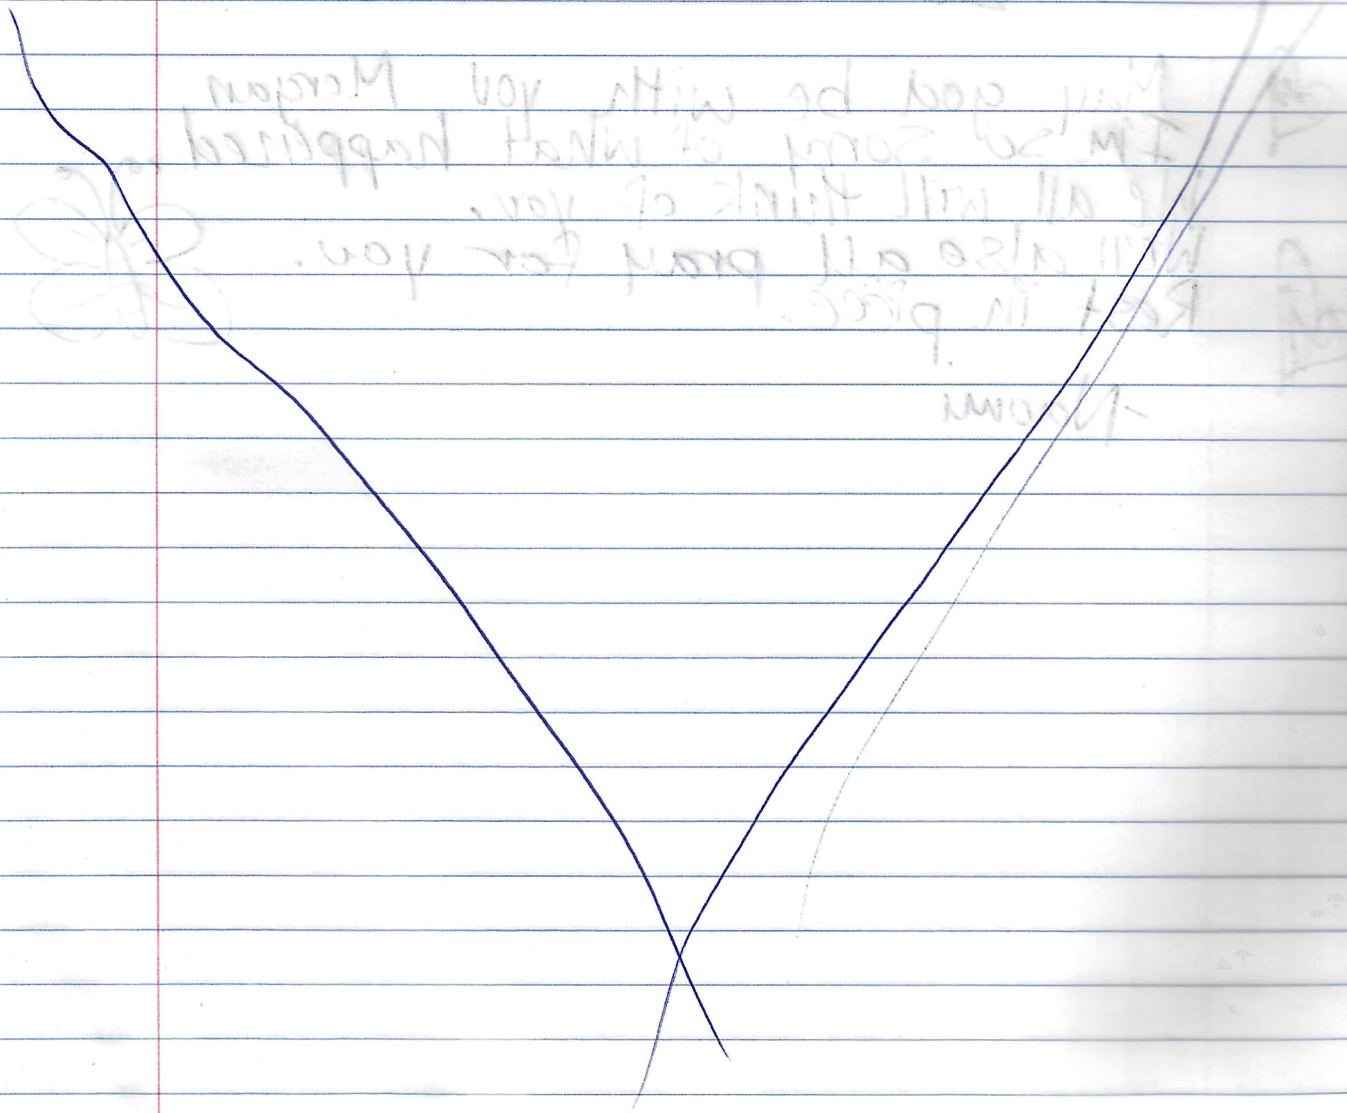

ES-91-01  
GOD TOLD me He will give me Hope  
for my Grief, Hope in Jesus that  
the Son of GOD was the Receiver  
and deliver of My Son to the Father,  
and that my Brokenheart would be  
fixed with GOD'S LOVE Because His  
Love is Pure and it was the Only thing  
that Fixed a Brokenheart and that  
the Misunderstanding would be  
Understood that in death there is  
Life threw CHRIST, and I wake up  
and been on this new Journey  
of Healing.

I PRAY for strenght
